Dr. John R. Gregg
Department of Zoology
Duke University
Durham, North Carolina

Dear Johnny:

Good luck to you at your new post.

I don't have many contacts with zoological material, but I will refer your letter to the Zoo. department here.

Aside from that I'd mention that my brother Seymour is following up some job openings. You can get more information about him from Dan Mazia and Roger Stanier at Berkeley.

With best wishes for the New Year,

Yours sincerely,

Joshua Lederberg
Professor of Medical Genetics
